The following pages contain a number of statements describing the way mothers sometimes act toward their children. I want you to think about how each one of these fits the way your mother treats you.

Four boxes are drawn after each sentence. If the statement is *basically* true about the way your mother treats you then ask yourself, "Is it almost *always* true?" or "Is it only *sometimes* true?" If you think your mother almost always treats you that way, put an X in the box ALMOST ALWAYS TRUE; if the statement is sometimes true about the way your mother treats you then mark SOMETIMES TRUE. If you feel the statement is basically *untrue* about the way your mother treats you then ask yourself, "Is it *rarely* true?" or "Is it almost *never* true?" If it is rarely true about the way your mother treats you put an X in the box RARELY TRUE; if you feel the statement is almost never true then mark ALMOST NEVER TRUE.

Remember, there is no right or wrong answer to any statement, so be as honest as you can. Respond to each statement the way you feel your mother really is rather than the way you might like her to be. For example, if she almost always hugs and kisses you when you are good, you should mark the item as follows:

MY MOTHER	TRUE OF MY MOTHER		NOT TRUE OF MY MOTHER	
	<i>Almost Always True</i>	<i>Sometimes True</i>	<i>Rarely True</i>	<i>Almost Never True</i>
