RE: Faculty Evaluation -**2005 Fall Semester**- Summary Report of Student Ratings by Course Level

The analysis of the returns from the student evaluation of faculty survey for this semester has been completed. Faculty in Package B in the following Colleges/Schools and all Regional Campus instructors were scheduled to be rated this semester:

College of Agriculture and Natural Resources, Schools of: Education, Engineering, Family Studies, Fine Arts and the College of Continuing Studies.

Results for the School of Business and the College of Continuing Studies WebCT classes have been included in the ratings. The following tables present the University-wide results of the survey.

Since the measurement of scale has been expanded from 5 to 10 points (1 = Unacceptable to 10 = outstanding), direct comparisons between these tables and those prior to 1990 should be avoided.
