RE: Faculty Evaluation -**2002 Spring Semester**- Summary Report of Student Ratings by Course Level

The analysis of the returns from the student evaluation of faculty survey for this semester has been completed. Faculty in Package A in the following Colleges/Schools were scheduled to be rated this semester:
College of Liberal Arts and Sciences, Schools of: Allied Health, Nursing and Social Work.

The following tables present the University-wide results of the survey. Since the measurement of scale has been expanded from 5 to 10 points (1 indicates Unacceptable and 10 represents outstanding), direct comparisons between these tables and those prior to 1990 should be avoided.
